

Visualization Assignment

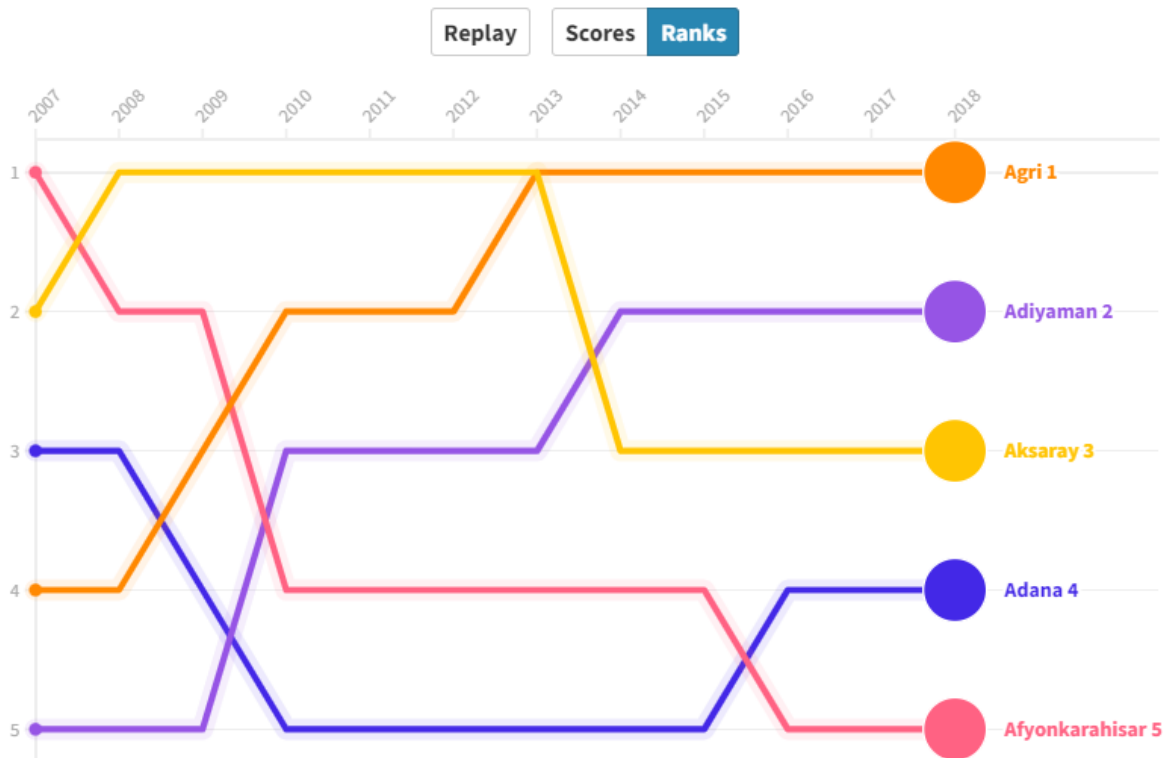

1. Packed Circle

2. Bar Chart Race

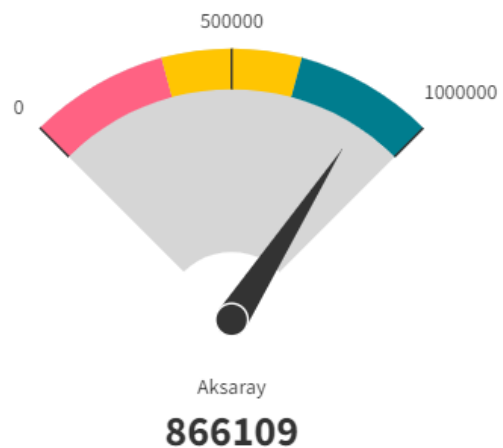

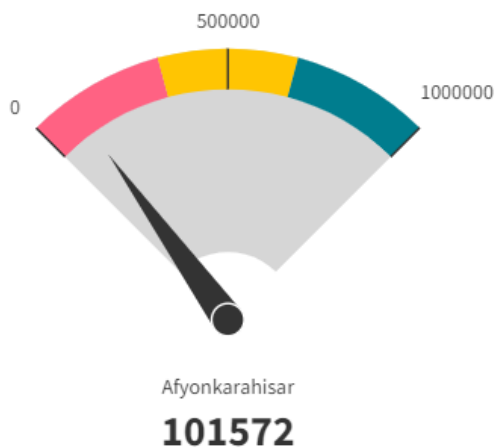

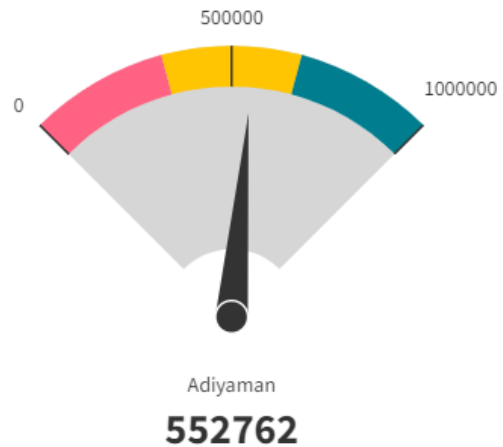

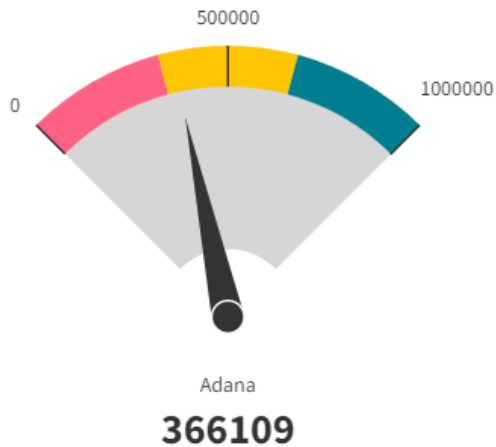

3. Line Chart Race

A word cloud visualization of the 2016 US House of Representatives, where the size of each name corresponds to the number of bills that name introduced. The names are arranged in a circular pattern, with larger names like 'Ketsyia Liebig' and 'David Stanley' being more prominent. The names are color-coded by party: Democrats are in shades of blue and green, while Republicans are in shades of red and orange. The names are arranged in a circular pattern, with larger names like 'Ketsyia Liebig' and 'David Stanley' being more prominent. The names are color-coded by party: Democrats are in shades of blue and green, while Republicans are in shades of red and orange. The names are arranged in a circular pattern, with larger names like 'Ketsyia Liebig' and 'David Stanley' being more prominent. The names are color-coded by party: Democrats are in shades of blue and green, while Republicans are in shades of red and orange.
